SUNSHINE LEGENDS TOUR

WHERE GREATNESS CONTINUES

Category Eligibility Explanations

Category Eligibility / Meaning for 2026

Honorary Achievement (Non-Active)
Eligibility / Meaning:
This category recognizes individuals who have made **exceptional and historic contributions to the game of golf**, both within South Africa and internationally.
Lifetime **Honorary Members** of the Sunshine Legends Tour in recognition of their distinguished achievements, such as **major championship victories, international representation, or extraordinary service to the game.**

Members in this category are **non-active competitors** and therefore have **no automatic entry rights** into Sunshine Legends Tour tournaments.

They may, however, be **considered for sponsor or tournament committee invitations** at the discretion of the Tournament Director and Tour management.

These honorary members are **exempt from annual membership fees** in recognition of their contribution to golf and the Tour.

Honorary Contribution (Non-Active)
Eligibility / Meaning:
This category recognizes individuals who have made a **significant and lasting contribution to the game of golf** — particularly to the **growth, development, and promotion** of professional or senior golf — without necessarily achieving distinction through playing performance.
Lifetime **Honorary Members** of the Sunshine Legends Tour, acknowledged for their **service, leadership, mentorship, sponsorship support, administration, or contribution to growing the game** at any level.

Members in this category are **non-active** and hold **no playing privileges** or **entry status** in official Sunshine Legends Tour tournaments.

They **cannot request or receive professional playing invitations**, but may be recognized at Tour events in an **honorary or ceremonial capacity.**

These members are **exempt from all membership fees** in recognition of their valuable service and positive impact on the Tour and the broader golfing community.

Starting field for SLT
Category 0A – Pre-Qualifying (PQ) Spots
Eligibility / Meaning:
Pre-Qualifying (PQ) Spots apply when the number of entries received for a tournament exceeds the maximum field size.
Example: If the tournament field is limited to 30 players and 40 entries are received, 14 players will be required to compete in a pre-qualifying round ("pre-queue") to fill the available spots.

A maximum of **four (4) qualifying spots** will generally be available from each pre-qualifying round, unless otherwise determined by the Tournament Director and the Tournament Committee.

These PQ spots are **reserved exclusively for paid-up members of the Sunshine Legends Tour** who fall within the official **Category System** of the Tour.

The application of a pre-qualifying event may vary depending on the nature of the tournament.

Standard events: Pre-qualifying will apply wherever possible.

Special or limited-field events: (e.g., sponsor invitationals, Tour Championships, or events outside the regular Order of Merit schedule) — pre-qualifying may not be conducted at the discretion of the Tournament Director and Committee.

Category 0B – Sponsor Invitations
Eligibility / Meaning:
This category provides for sponsor-allocated tournament invitations as agreed between the **Sunshine Legends Tour**, the **Tournament Director**, the **Tour Commissioner**, and the **event sponsor**.
There will be **no fixed minimum or maximum** number of Sponsor Invitations. The exact number and criteria will be determined jointly by the relevant parties, depending on the nature of the tournament and the agreement with the sponsor. These details will be confirmed prior to the event and stated in the **Tournament Information Sheet**.
Sponsor Invitations are intended to enhance the quality and promotional value of an event while maintaining fairness and consistency within the Tour's category system. The overall Tour mindset is to **minimize the number of sponsor invitations** where possible, ensuring that the field primarily reflects the category system and the commitment of its members.
Sponsor Invitations may be extended to:
Current or past professionals with strong promotional or spectator value to the event or sponsor;

Special guests, ambassadors, or contributors to the game of golf;

Eligible Sunshine Legends Tour members as part of a sponsor's promotional or activation initiative.

Additional Guidelines:
Tour Members: Active Sunshine Legends Tour members may receive **unlimited sponsor invitations**, subject to approval.

Non-Members: Non-members may receive sponsor invitations; however, they may **not exceed the minimum tournament participation requirement** necessary to qualify for season-ending rankings or Order of Merit consideration.

All sponsor-invited players must comply with the **Tour's eligibility, conduct, and entry regulations**.

This framework ensures that Sponsor Invitations serve the best interests of both the **sponsor** and the **Tour**, while upholding competitive integrity and providing flexibility for event-specific agreements.
